**PLAINTIFF BROCK FREDIN'S APRIL 2018 FOIA REQUEST**

24. On October 28, 2019, I received a freedom of information act (“FOIA”) production by way of the City of Minneapolis. The request was made in April 2018 related to records associated with Lindsey Middlecamp’s improper activities in reference to me.

25. Lindsay Middlecamp unequivocally committed felony obstruction of justice and assault by requesting that the Saint Paul City Attorney’s Office issue frivolous criminal charges in *State v. Fredin*, Ramsey County District Court, Case No. 62-CR-17-3156 and (indirectly) *State v. Fredin*, Ramsey County District Court, Case No. 62-CR-18-157 against me to serve her April 14, 2017 harassment restraining order petition (“Middlecamp HRO”), and, most importantly, to provide tabloid fodder to her personal media platform @CardsAgstHrsmt by and through improper use of her then-Assistant Minneapolis City Attorney position. Lindsey Middlecamp also instigated criminal charges against me based on the Minnesota Court of Appeals January 23, 2017 ruling in *Miller v. Fredin*, Case No. A16-0613 (“Miller Decision”). Lindsey Middlecamp sent an email (“Middlecamp Email”) to Deputy Minneapolis City Attorney Mary Ellen Heng dated January 24, 2017 at 3:44PM stating:

Do you know/have contact info for your counterpart at the City of St. Paul? This is something of a professional courtesy email that, if you felt it was appropriate, I was hoping could be forwarded to their attention.

I have a friend who, in November of last year, got a restraining order against a man in St. Paul who stalked her for nearly two years even after she moved out of state all because she declined to meet him after brief contact on a dating site. He has retaliated against the restraining order in several dramatic ways; after storming out of the hearing at which it was granted, he promptly registered and launched a website referring to her by full name as a stalker and sexual predator and linking to her contact

Yesterday, the Court of Appeals issued an opinion in a different matter brought by a different woman against the same man. I'm attaching it here.

I can tell you that I've spoken with several of his former colleagues or acquaintances and this seems like a very troubled individual with a documented history of serial harassment and escalation. He has been kicked out of a local gym for concerning threatening behavior towards a trainer, has been blacklisted from certain community groups for his alarming online conduct, etc. I have serious concerns that if he is not held accountable for violations of this restraining order, he will escalate either in his aggression against my acquaintance, or in parallel tracks against other women.

The "professional courtesy" angle here is that I'm also aware my friend is being contacted by journalists with MPR and City Pages about her experiences with this man and other women's restraining orders and issues with him. I believe it is likely the narrative will take a position that "St. Paul is doing nothing to protect them" in light of the cops basically telling her her (sic) main recourse was stop googling her own name and try to move on with her life despite his persistent attempts to sabotage and harass her. I thought it was worth at least forwarding the Court of Appeals decision to the potential prosecutors to see if the pattern/trend of this man's troubling behavior causes them to have more confidence in the need to pursue him in 13.82 case. I know resources and other considerations dictate case load but sometimes having another lawyer confirm this isn't a total goose chase seems helpful in giving things another look.

(See Exhibit A.) Under the plain language of the Middlecamp Email, Lindsey Middlecamp states that Mary Ellen Heng should do a "professional courtesy" and contact her "counterpart" in the Saint Paul City Attorney's Office to bring frivolous criminal charges to benefit Lindsey Middlecamp's "friend". It is believed the "counterpart" is Saint Paul Assistant City Attorney Tara Petit.

26. The plain language of the Middlecamp Email states that Lindsey Middlecamp has "a friend". This friend is believed to be Catherine Schaefer. Lindsey Middlecamp alleges that I "storm[ed] out of a hearing .. registered and launched a website referring to [Catherine Schaefer] by full name as a stalker and sexual predator." With respect to instigated criminal charges, the Middlecamp Email states "the professional

courtesy angle here is that I'm also aware my friend is being contacted by journalists with MPR and the City Pages..." (*See Id.*)

27. With respect to "storming out of a hearing" and registering a website, these allegations are simply not substantiated. I quickly leave all hearings to avoid adverse parties. (*See Id.*)

28. It is worth noting that Lindsey Middlecamp had already begun tweeting about me on January 24, 2017 at around 9AM and arranged for journalists from the *City Pages* to contact Catherine Schaefer. Upon information and belief, Lindsey Middlecamp feigned ignorance about the multiple angles she was playing. (*See Exhibit E.*)

29. In order to effectuate her improper scheme, Lindsey Middlecamp states that "yesterday the Court of Appeals issued an opinion in a different matter brought by a different woman." Upon information and belief, this woman is believed to be Grace Miller. (*See Exhibit A.*)

30. As mentioned above, Catherine Schaefer and Grace Miller's HRO petition was intended to be used by Lindsey Middlecamp to bring frivolous criminal charges and launch an unlawful no-knock search warrant dated April 28, 2017. Lindsey Middlecamp and Grace Miller and their representatives have acknowledged that they have spoken to and coordinated with Catherine Schaefer and her legal representation. Upon information and belief, Catherine Schaefer's HRO petition was filed in coordination with Grace Miller and her counsel. It is believed that Lindsey Middlecamp intended to cite Catherine Schaefer's and Grace Miller's HRO petition against me to bring frivolous criminal charges by and through her then Assistant Minneapolis City Attorney Position. Most recently,

however, Catherine Schaefer's and Grace Miller's filings were cited by Lindsey Middlecamp in the instant proceedings and the January 24, 2017 email to Mary Ellen Heng as well as on her personal Twitter account @CardsAgstHrsmt. This is exemplified by the fact that Catherine Schaefer's allegations were found to be knowingly false and made with bad faith when the Saint Paul Police conducted search warrants finding her phone allegations originated from telemarketers. I had never met, spoken to, or knew Catherine Schaefer prior to her petition.

31. It is worth noting that because Lindsey Middlecamp had fabricated a rape allegation, knowing that her allegation was false, Lindsey Middlecamp instead relied upon a pile-on scheme and harassment restraining order violations as her method to incite frivolous criminal charges.

32. I have also asserted knowledge that Catherine Schaefer was provided with a *pro bono* lawyer named Peter R. Mayer from Dorsey and Whitney coordinated by Lindsey Middlecamp. Peter R. Mayer is a former law clerk to Wisconsin Supreme Court Chief Justice Shirley Abrahamson. Upon information and belief, Dorsey and Whitney also have a contract with the City of Minneapolis to augment prosecutorial staff for petty crimes. I believe this to be the conduit for which Lindsey Middlecamp could commit to an unethical quid-pro-quo scheme to obtain *pro bono* assistance on behalf of Catherine Schaefer.

33. In order to apply media pressure to the Saint Paul City Attorney to bring frivolous criminal charges against me, Lindsey Middlecamp states that "I believe it is likely the narrative will take a position that "St. Paul is doing nothing to protect them" in light of the cops basically telling her her (sic) that her main recourse was stop googling her own

name ... I thought it was worth at least forwarding the Court of Appeals decision to the potential prosecutors to see ...” Upon information and belief, the term “narrative” refers to a media narrative used to exaggerate claims or to make her colleagues fearful that they may be impugned in the media over their charging decisions. (*See Id.*)

34. In her lengthy email, Lindsey Middlecamp appears to acknowledge that all charges do not have merit and were declined multiple times by stating that it is a “total goose chase” but that Mary Ellen Heng could promote the allegations by “giving another look” in an effort to convince Mary Ellen Heng to adopt the bogus allegations and persuade the Saint Paul City Attorney’s Office to bring frivolous criminal charges against me and serve Lindsey Middlecamp’s April 14, 2017 harassment restraining order. (*See Id.*)

Persuading the Saint Paul City Attorney’s Office

35. As described above, Lindsey Middlecamp drafted the Middlecamp Email intending to persuade the Saint Paul City Attorney’s Office to bring frivolous criminal charges against me and to commence a violent April 28, 2017 no-knock raid to serve her harassment restraining order. (*See Exhibit A.*)

36. On January 24, 2017 at 10:06AM the Middlecamp Email was forwarded from Mary Ellen Heng’s personal email of MaryEllen.Heng@minneapolismn.gov to Saint Paul Assistant City Attorney Tara Patet with a recipient email address of tara.patet@ci.stpaul.mn.us In the email, Mary Ellen Heng states “Tara ~ I am forwarding you this email from a colleague of mine who works in our civil division. She is friends with victim [Catherine Schaefer or Grace Miller]. I believe you reviewed a case involving [Catherine Schaefer or Grace Miller] and Brock Fredin. [Lindsey Middlecamp] asked me

to forward on her email and this case to you.” Mary Ellen Heng adopts Lindsey Middlecamp’s (false) allegations in the Middlecamp Email presented to her as a matter of course. (*See* Exhibit B.)

37. On January 24, 2017 at 10:15 AM, Tara Patet responds by indicating her knowledge of the (false) allegations contained in the Middlecamp Email by stating, “we just haven’t had a prosecutable case presented to us yet.” Despite her knowledge the allegations in the Middlecamp Email are false, Tara Patet adopts the allegations contained in the Middlecamp Email as a matter of course. Tara Patet states “it is clear that he’s intentionally trying to “get around” the HRO.” Tara Patet indicates her knowledge of the (false) allegations contained in the Middlecamp Email by declaring that all charges have been declined multiple times. As to vindictive prosecution, Tara Patet states “As much as we want to get this guy, we just haven’t had a prosecutable case presented to us yet.” (*See Id.*)

38. Additionally, Tara Patet also copies Saint Paul Police Officer David McCabe in her email response. (*See Id.*)

39. Mary Ellen Heng asks Tara Patet if she can “share” the contents of the email with Lindsey Middlecamp. (*See Id.*)

40. It is worth noting that Lindsey Middlecamp, Grace Miller, and Catherine Schaefer had already initiated an Internet smear campaign against me. In attempting to refute the allegations with one or two Facebook posts, Grace Miller, Catherine Schaefer, and Middlecamp would file knowingly false police reports to silence me while

misrepresenting the public posts as “communication” in order to bring (false) frivolous charges against me. (*See Exhibit D.*)

41. As described above, the Middlecamp Email was sent to Saint Paul Police Officer David McCabe. On January 24, 2017 at 10:33AM, Saint Paul Police officer David McCabe states that “[Lindsey Middlecamp], I saw your email to Mary Heng, then to Tara Patet, I have been working on this case for several years now and so far everything I submitted has been declined.” Officer McCabe indicates his knowledge of the (false) allegations contained in the Middlecamp Email by stating “charges have been declined multiple times.”. (*See Exhibit C.*) Despite David McCabe’s knowledge the allegations in the Middlecamp Email are false, Officer McCabe adopts the (false) allegations as a matter of course. (*See Id.*)

42. On January 24, 2017 at 6:41PM, Lindsey Middlecamp sends a direct email to Tara Patet without any copied parties. The email states: “Tara, Thank you so much for such a prompt reply and I understand the challenges and frustrations with perps who are strategic in their contact. Anyway—I just wanted to be a conduit for that [Miller] decision to make it to your office and make sure the recent contact gets considered. I do think she'll take comfort knowing that the investigator and your office have a consistent set of eyes on this guy.” (*See Exhibit D.*)

43. It is worth noting the phrase “recent contact gets considered” is referring to my Match.com profile edit. It appears that Lindsey Middlecamp is using extrajudicial avenues to seek revenge for her friends, and, most importantly, to prosecute me extrajudicially. This is particularly so where they were attempting to collaterally use bogus

harassment restraining order violations as some form of revenge for Lindsey Middlecamp's (false) and fabricated rape allegation. (*See Id.*)

44. It should be further noted that Lindsey Middlecamp began posting my photos, defamatory statements, and legal pleadings to her Twitter account @CardsAgstHrsmt the same day prior to the Middlecamp Email. Lindsey Middlecamp began tweeting about me at 9AM and sent the Middlecamp Email at around 3:44PM. It is believed Lindsay Middlecamp publicized the same (false) or petty allegations to apply pressure to the Saint Paul City Attorney's Office to reopen multiple previously declined frivolous charges in *Miller v. Fredin*, Ramsey County District Court, Case No. 62-HR-CV-16-46 (*See Exhibit E.*)

#### Leaking of the Miller Decision

45. As described above, Lindsey Middlecamp drafted the Middlecamp Email intending to persuade the Saint Paul City Attorney's Office to bring frivolous criminal charges against me and serve Lindsey Middlecamp's April 14, 2017 harassment restraining order. The Middlecamp Email cited my ex-girlfriend Grace Miller and her friend Catherine Schaefer to further persuade Tara Patet and Mary Ellen Heng in the Saint Paul and Minneapolis City Attorney's Office. (*See Exhibit A.*)

46. Most egregious of all, I indicated that Lindsey Middlecamp began tweeting about the Miller Decision in early to middle January 2017 prior to its official release of January 23, 2017. In those tweets on @CardsAgstHrsmt, Lindsey Middlecamp or her parties indicated that Minnesota Court of Appeals Judge Kevin G. Ross "destroyed Brock Fredin" in the Miller Decision. Knowing that her improper conduct would be potentially

criminal and discoverable, Lindsey Middlecamp deleted those tweets and began a new set of tweets about the Miller Decision on January 24, 2017 following the Miller Decision's official release.

47. In that decision, the Ramsey County District Court redacted and removed Grace Miller's continuing emails to me (even after she filed her harassment restraining order) making it impossible for the Court of Appeals to be completely informed and totally unable to ascertain the true fact that I updated the public portion of a Match.com profile to say "I am so sorry" after receiving countless unsolicited emails from Grace Miller. I never responded, sent messages, particularly after any order was issued.

48. The panel in the Miller decision included Judge Ross, Jesson, and Schellhas. Upon information and belief, both Judge Lucinda E. Jesson and Lindsey Middlecamp attended the same law school (although at very different times).

#### Lindsey Middlecamp's Fictitious Rape Allegations

49. As described above, Lindsey Middlecamp drafted the Middlecamp Email intending to persuade the Saint Paul City Attorney's Office to bring frivolous criminal charges against me and serve Lindsey Middlecamp's April 14, 2017 harassment restraining order. It is believed Lindsey Middlecamp scheme was part-in-parcel to a fabricated rape allegation she presented to Saint Paul Police Officer David McCabe who began an investigation. (See Exhibit A; C)

50. It is worth noting that because Lindsey Middlecamp knew her rape allegation was false, Lindsey Middlecamp instead relied upon a pile-on scheme and harassment restraining order violations as her method to incite frivolous criminal charges.

51. As to the false rape allegations, the Middlecamp Email appears to be directed at the Saint Paul Police Sex Crimes Unit. It is my belief that this is the first time I have seen such evidence and had no idea that David McCabe was associated with the “Sex Crimes Unit”. (*See Exhibit C*)

52. As described above, the Middlecamp Email was forwarded with a subject line titled “Brock Fredin” through Mary Ellen Heng and Tara Patet to Saint Paul Police officer David McCabe. David McCabe responded on January 24, 2017 at 10:33AM. David McCabe appears to respond to Lindsey Middlecamp by name. David McCabe’s email signature is “Sergeant David McCabe Sex Crimes Unit.” (*See Id*)

53. In his response, David McCabe responds by saying, “[Lindsey Middlecamp], I saw your email to Mary Heng, then to Tara Patet, I have been working on this case for several years now and so far everything I submitted has been declined.” David McCabe’s reference to “them” is believed to be the Saint Paul City Attorney’s Office. (*See Id*)

54. With respect to David McCabe investigation, it is my belief that he was investigating a fabricated rape allegation presented to him from Lindsey Middlecamp. (*See Id*)

55. As to David McCabe’s knowledge of Lindsey Middlecamp’s false allegations, he states everything he has submitted “has been declined.” (*See Id*)

56. Most egregious of all, on February 22, 2017 Lindsey Middlecamp made a false rape allegation against me on her @CardsAgstHrsmt Twitter account. The tweet was retweeted thousands upon thousands of times. I had never spoken to, met her, knew anything about her, or knew who she was. The allegation also contained tweets where

Lindsey Middlecamp calls herself “the henchman of the totalitarian feminist movement” and several other completely improper remarks.<sup>1</sup> (*See Exhibit E.*)

57. Moreover, Lindsey Middlecamp has made similar false allegations against hundreds of men on the same or similar accounts and has generated a significant media presence describing “rape culture” and making anonymous rape allegations against unnamed men in various national publications e.g., BuzzFeed, Yahoo news, Huffington Post, etc.

58. More importantly, in order to amplify her false allegation, Lindsey Middlecamp timed her false rape allegation release the same day as a February 22, 2017 article concerning me in the *City Pages*. Upon information and belief, Lindsey Middlecamp’s false rape allegation was retweeted thousands of times.

59. In April 2017, David McCabe stated his knowledge that he had investigated rape allegations originating from Lindsey Middlecamp concerning me. Officer McCabe stated to me “you did not rape anyone.”

60. Lastly Lindsey Middlecamp drafted the Middlecamp Email intending to persuade the Saint Paul City Attorney’s Office to bring frivolous criminal charges against me and serve Lindsey Middlecamp’s April 14, 2017 harassment restraining order collaterally over a fabricated rape allegation and to reopen previously declined charging

decisions. It is my belief these allegations were also used to silence my criticism of her activities. (*See Exhibit A.*)

The April 14, 2017 Middlecamp *Ex-Parte* HRO

61. As described above, Lindsey Middlecamp leaked the Miller Decision to her own anonymous media platform @CardsAgstHrsmt. (*See Exhibit E.*)

62. On April 4, 2017, after discovering Lindsey Middlecamp's identity, I published a Facebook post identifying Grace Miller, Catherine Schaefer, and Lindsey Middlecamp by name. (*See Exhibit F.*)

63. On April 14, 2017, after learning of the Facebook post identifying Lindsey Middlecamp by name, Lindsey Middlecamp filed an *ex-parte* harassment restraining order in Ramsey County captioned *Middlecamp v. Fredin*, Case No: 62-HR-CV-17-233 ("Middlecamp HRO"). (*See Id.*)

64. With respect to the Middlecamp HRO, on April 14, 2017 at 9:24AM it is believed that Lindsey Middlecamp alerted the Minneapolis City Attorney's Office of the Middlecamp HRO and used the Middlecamp HRO to create a (false) security alert bulletin by either directly herself or telling her boss Susan Segal to send a group interoffice email attaching the Facebook post titled "Attention: Security Matter" to:

- Laroen, Barb G.;
- Criminal Division Attorneys;
- Criminal Division Specialists;
- Civil Division Attorneys;
- Civil Division Specialists;
- Mawer, Emily

(*See Exhibit F; G Id. ¶ at 1.*)

65. With respect to the security bulletin, several Assistant Minneapolis City Attorneys stated confusion as to how such a harmless post identifying Lindsey Middlecamp could create a security bulletin:

- “I hate it when the bosses send cryptic shit like that and don’t inform folks about what the fuck is actually going on.” - Burt T. Osborne (*See Exhibit G.*)
- “I have no idea. It’s weird because his legal stuff never happened even happened in Hennepin County.” - Paula Kruchowski (*See Id.*)
- Furthermore, Paula Kruchowski appears to have taken improper steps to research or investigate my name without valid reason.<sup>2</sup> It is believed Paula Kruchowski requested Thomas Miller improperly do the lookup: Thomas Miller responded by email to Paula Kruchowski stating: “Thanks! F.Y.I. I could not locate anything in civil PM that involves him.” (*See Exhibit H.*)
- “Brock is my friend ... here’s what I know. It’s totally Jerry Springer too.” – Paula Kruchowski (*See Exhibit G.*)
- In reference to the Miller Decision, “The decision is awesome so pull it up on Westlaw. It’s written by Ross, which should tell you a lot right there”. – Paula Kruchowski (*See Id.*)

<sup>2</sup> Minneapolis Attorney claims she was “oogled by scores of men.” *See e.g.*, <http://www.startribune.com/mpls-attorney-claims-she-was-oogled-by-scores-of-men/236425531/>

66. As to Emily Mawer<sup>3</sup>, she was an associate with Dorsey and Whitney and a former law clerk to Lori Gildae. It is apparent why she was copied on the email to coordinate communication with Peter R. Mayer who represented Catherine Schaefer coordinated by Lindsey Middlecamp.

67. On September 20, 2017, Minneapolis Assistant City Attorney Jamie Becker-Flynn sent an email to Minneapolis Police Officer Robert Greer and Minneapolis Assistant City Attorney Paula Kruchowski stating: “I moved the Fredin, Brock William report 17-358837 to “non-dom” Victim has an HRO but the parties have no domestic relationship, despite it being coded as such in this.” (See Exhibit Q.) Upon information and belief, Lindsey Middlecamp presented her order to her own office and Paula Kruchowski.

68. It should be further noted that there was no threat and that Lindsey Middlecamp deliberately created such a threat to incite frivolous criminal charges after filing her April 14, 2017 Middlecamp Order in Ramsey County to pile-on without proper jurisdiction in what appears to be a way to avoid being held accountable for the Middlecamp Email. Lindsey Middlecamp knew that I was domiciled in Hudson, Wisconsin when she used a no-knock search warrant to serve me here. Lindsey Middlecamp lived and worked in Hennepin County. As to her forum shopping, Lindsey Middlecamp filed her Middlecamp Order in Ramsey County in seeking Referee Clysdale’s friendly rubber-stamp and to pile-on orders. (See Exhibit G.)

Dorsey Whitney and Peter R. Mayer's Felony Obstruction of Justice

69. As described above, Peter R. Mayer is employed as an associate with Dorsey and Whitney and is a *pro bono* lawyer for Catherine Schaefer coordinated by Lindsey Middlecamp.

70. With respect to his involvement, Peter R. Mayer sent an extrajudicial email to Special Assistant City Attorney David Green dated December 14, 2017 at 12:04AM. This email ("Schaefer Show Cause Email") contained a show cause motion from Catherine Schaefer. (*See* Exhibit R.)

71. At 11:52 on December 14, 2017, Laura Pietan sent an email to Mary Ellen Heng requesting the name of the Deputy City Attorney in Bloomington, MN concerning an investigation concerning me. (*See* Exhibit Q.)

72. At 11:56 on December 14, 2017, Mary Ellen Heng responded to Laura Pietan stating: "They have a new deputy and I don't have her email. But I always contact their senior attorney Erica Glassberg. Her email is [eglassberg@bloomingtonmn.gov](mailto:eglassberg@bloomingtonmn.gov)." (*See Id.*)

73. On December 15, 2017, at 1:56 David Green forwarded Peter R. Mayer's Schaefer Show Cause Email to his corporate email [David.Green@Dorsey.com](mailto:David.Green@Dorsey.com). David Green is a contract employee loaned from Dorsey and Whitney. (*See* Exhibit R.)

74. On January 8, 2018, Saint Paul Assistant City Attorney Andrea Miller sends an email to Mary Ellen Heng concerning me stating: "I have attached my official decline for you." (*See* Exhibit Q.)

75. It is worth noting that it is my belief that Peter R. Mayer and Dorsey and Whitney actions were part-in-parcel to Lindsey Middlecamp, Catherine Schaefer, and

Grace Miller's scheme to bring (false) frivolous criminal charges coordinated by the improper use of their contract with the Minneapolis City Attorney's Office and *ex parte* communication with Lindsey Middlecamp. Upon information and belief, they instigated the April 28, 2017 violent raid, multiple declined charges, and, most importantly, committed felony obstruction of justice, false imprisonment, and assault.

#### The April 28, 2017 No-Knock Violent Raid

76. As described above, Lindsey Middlecamp drafted the Middlecamp Email intending to persuade the Saint Paul City Attorney's Office to bring frivolous criminal charges against me and the April 28, 2017 raid was procured to serve her April 14, 2017 Middlecamp Order. Moreover, in the Amended Complaints and motion for limited discovery I have incorporated the same allegations.

77. I have alleged that criminal charges were only reopened following Lindsey Middlecamp's April 14, 2017 Middlecamp Order petition. As to the merits of that petition, I was denied any rights, and Referee Clysdale entered a profoundly unconstitutional gag order to silence me and coverup Lindsey Middlecamp's improper actions including the January 24, 2017 Middlecamp Email. (*See* Exhibit A.) This order was lampooned by legal circles, including former 9<sup>th</sup> Circuit Appellate judge Alex Kozinski and UCLA law professor Eugene Volokh. See comments section in <https://reason.com/2018/05/08/minnesota-court-apparently-orders-man-no/#comments>

78. Catherine Schaefer entered a police report alleging that Referee Clysdale and Lindsey Middlecamp have a "mutual bestie" and have been "hanging out for years". Upon

information and belief, this “mutual bestie” is Mary Ellen Heng and/or Tara Patet. (*See* Exhibit I.)

79. As to Susan Segal’s knowledge, Susan Segal sent another email to deputy Minneapolis City Attorney Erik Nilssen on August 22, 2017 concerning me. This time window lines up with a final order and hearing in the April 14, 2017 Middlecamp HRO. (*See* Exhibit K.)

80. The above emails indicate that at a minimum the April 14, 2017 Middlecamp harassment restraining order, security alert bulletin, and the false flags were used to vindictively prosecute me over First Amendment based activity as a red herring over a false rape allegation.

**MINNEAPOLIS CITY ATTORNEYS OFFICE**

81. On August 1, 2017, Tom Powers sent an email from his account [tom.powers@meltwater.com](mailto:tom.powers@meltwater.com) to Pai Vaman at [vaman.pai@minneapolisnmn.gov](mailto:vaman.pai@minneapolisnmn.gov) concerning January 2017 to July 2017 reports. The email states: “Any luck with the January – July 2017 reports? Willing to take them one month at a time. I have a deadline coming up in three weeks.” (*See* Exhibit S.) Tom Powers is the managing director of MeltWater which describes itself as: “a media intelligence company who provides media monitoring and social media monitoring to help companies grow and build brand.”<sup>4</sup> (*See* Exhibit S.)

---

<sup>4</sup> *See* <https://www.meltwater.com/>

82. Upon information and belief, this report contains logs, audits, or references to Lindsey Middlecamp's use of Minneapolis City Information Technology resources to post on @CardsAgstHrstm concerning me. (*See Id.*)

83. On April 17, 2018 Minneapolis Police records supervisor Lisa Lamor sent an email to Mary Zenzen, manager of Minneapolis Police Record Services, that she "received the following request" and that it may "apply potentially to MPD". (*See Exhibit J.*)

84. On October 28, 2018, shortly after I was sentenced to a year in jail, it appears that Mary Zenzen sent an email to Minneapolis Police records specialist Kyle H. MacDonald saying "Kyle, please see the attached request ... we can discuss how to approach the review." The term "how to approach review" appears to indicate a deliberate delay in response. (*See Id.* ¶ at 5.)

85. As evidence of the Minneapolis City Attorneys oversight into such records, On October 31, 2018, Kyle MacDonald responds to Mary Zenzen stating that he has "completed reviewing a number of emails related to the requestor. I initially searched MPD/police locations which yielded around 120 documents." Mr. MacDonald also states that "I'm not sure if others have reviewed these emails as part of City Clerk review or City Attorney's Office. I marked many documents for Attorney review, mainly because most of these documents involve Susan Segal and other attorneys in the CAO. The documents are in DISCO under the folder MPD 9648. I've included Carol on this email as part of Attorney review." (*See Id.* ¶ at 5.)

86. In line with the deliberate delay in production, On April 1, 2019 Kyle H. MacDonald stated, “I’ve completed the review of the Brock Fredin documents. I think this one initially came through the clerk’s office. Everything has been reviewed by me and Carol B. I’ll load this and the Horowitz request on to a flash drive. I’m assuming that you would want to handle contact with the requestor?” It is believed the requests were strategically delayed to hide production concerning a June 2018 criminal trial in *State v. Fredin*, Ramsey County District Court, Case No. 62-CR-17-3056 and a March 2019 trial in *State v. Fredin*, Ramsey County District Court, Case No. 62-CR-18-157 (“Middlecamp Criminal”) concerning Lindsey Middlecamp. Moreover, the requests were timed to coincide with my release from the Ramsey County workhouse on June 12, 2019. (*See Id.* ¶ at 6.)

87. In order to cover up Lindsey Middlecamp and the Minneapolis City Attorney’s Office official misconduct, on May 31, 2019, Minneapolis Police Departments records unit specialist Kyle H MacDonald sent an email to his supervisor Lisa Lamor stating: “I’m not sure what happened with this request. I have a folder labeled Fredin production however its empty. I’m looking through my assorted flash drives and I don’t see anyone labeled 9648 or 181303.” The production requests appear to have been deleted at some point after the Minneapolis City Attorney’s Office review to deliberately hide the records. Upon information and belief, Mary Ellen Heng has knowledge and motive concerning the deletion of this record set concerning me. (*See Id.* ¶ at 7.)

88. On October 18, 2019, I received an email from Minneapolis Records Management Specialist Jacob Crawford stating:

Good morning,

I'm reaching out to you today because our records show that you submitted a Data Practices request to the City of Minneapolis at the beginning of April in 2018. Unfortunately, our office has experienced a significant amount of turnover in the last year, and the person previously working on your request is no longer at our office. We noticed that we couldn't find a record of data ever being sent to you for your request.

If you are still interested in receiving data, could you please reply all to the to this email letting us know? If we do not receive a response from you by COB on October 28th, we will assume that you are no longer interested in receiving the data you requested.

If you have any questions or concerns, please let us know.

89. As to a cover up, the phrase “We noticed that we couldn’t find a record of data ever being sent to you for your request.” Is illustrative of deliberate attempts to prevent the January 24, 2017 Middlecamp Email from being disclosed through trial sequences in 1) *State of MN. v. Brock Fredin*, 62-CR-17-3156; and 2) *State of MN. v. Brock Fredin*, 62-CR-18-157. (*See Exhibit O.*) Most importantly, previous email exchanges between records employee state “do not communicate directly with the requestor” appears to indicate a planned delay or instructions from the Minneapolis City Attorney’s Office to strategically delay the release of these records.

90. It should be further noted that the FOIA request was only provided to me following the September 30, 2019 close of discovery in the above-captioned federal cases. It is my belief that this delay was coordinated and aligned by the Minneapolis City Attorney’s Office to bypass discovery in these matters. (*See Id.*)

91. Unfortunately, I believe that Adam C. Ballinger and K. Jon Breyer and the Ballard/Spahr/Lindquist Vennum Firm maintain a conflict of interest. K. Jon Breyer is a

former partner of Ballard/Spahr and Lindquist and Vennum. K. Jon Breyer is deeply entrenched in an Inn of Court maintained, governed, and run by my biological sister and this FOIA request provides significant information (not disclosed here) indicating a conflict of interest with K. Jon Breyer 's representation. Paula Kruchowski uses my sister's last name in reference to me in an attempt to do improper lookups in reference to the Middlecamp Email and/or the April 28, 2017 Raid or the Middlecamp HRO to either prevent it or inflict it upon me. Upon information and belief, K. Jon Breyer is using free *pro bono* representation as a vehicle to protect information passed between Paula Kruchowski and sadly between my sister or to generally hide information. (See Exhibit H.)

92. K. Jon Breyer has represented each of these women pro bono in several cases, including practicing law in Saint Croix County, Wisconsin without a known Wisconsin attorney license registration or *pro hac vice* status. Upon information and belief, this is illustrative of ongoing coverups.

93. Moreover, Ballard/Spahr and its inherited firm Lindquist and Vennum has a conflict of interest. The Lindquist firm served as mediators during each state court HRO hearing. Mark Jacobson and Michael Olafson, both partners at Lindquist and Vennum Ballard/Spahr attempted to bully and intimidate me into accepting bogus HRO filings. Lindsey Middlecamp is a former Lindquist non-equity associate. The conflict here lies between Ballard/Lindquist's actions as mediators in the state court trials and had a direct conflict with me as a party to those actions.

Lindsey Middlecamp , Grace Miller's, and Stephen Heng's

Felony Obstruction of Justice and Obstructionist Tactics to Block Discovery

94. Between October 17, 2018 and June 12, 2019, I served a (false) year sentence

96. On May 18, 2018, Grace Miller filed (false) police reports indicating my Twitter account or harmless comments were illegal. On October 24, 2018, charges were declined by Tara Petit.

97. On June 20, 2019, Grace Miller filed another (false) police report during pending discovery in this case. Grace Miller represented these claims as brand new. (*See* Exhibit T.)

98. On June 19, 2019, the Stalking by Mail statute was voided. *In Re. A.J.B.* Minnesota Supreme Court, Case No. A17-1161.<sup>5</sup>

99. On June 24, 2019, the Hennepin County Attorney's Office declined charges asserted by Grace Miller concerning me. The investigator said that Grace Miller became

“upset” after learning charges were declined and “later told me the memes reported in this case were approximately two years old.” (*See Id.*)

100. As to proof of malicious reports, on June 15, 2019, Minneapolis 311 operator took several (false) police reports from Catherine Schaefer. William Schultz later emailed his colleague Vanessa Carr stating: “have had about 4 emails from her since I left 311!! I keep telling her that I don't work there any more!!” Vanessa Carr responded by stating: “Lol you were so great that she has to keep calling you! Lol” (*See Exhibit U.*)

### **CONCLUSION**

101. Based on Lindsey Middlecamp’s felony obstruction of justice, I was given an illegal executed jail sentence. Between October 17, 2018 to June 12, 2019 I was illegally jailed at the Ramsey County Workhouse on a first-time misdemeanor level (false) offense. During this time, I lost my mother. Lindsey Middlecamp deprived me of access to my dying mother and continued to taunt me while she was dying to thousands of users on @CardsAgstHrsmt and @TonyWebster. Between June 29, 2019 and September 3, 2019, I was exonerated on First Amendment grounds. (*See* September and October Status Letters in *State v. Fredin*, Minnesota Court of Appeals, Case No. A18-0085.) (*See Exhibit L-N.*)

### **Damages for Defendants Conduct**

102. As to costs, Defendants have maliciously entered between nine (9) to twelve (12) frivolous cases against me without justification. I paid counsel Halberg Defense around \$16,000 and Nathan Hansen \$12,000. I paid other lawyers around \$1000 for other consulting fees.

103. I have paid Referee Street and Clysdale's court reporter between \$1,000 and \$2,000 for transcripts.

104. I have incurred other expenses to defend these actions, such as travel costs, printing costs, and other expenses. I will be able to provide an exact total at trial in this matter.

Other Damages Based on Lindsey Middlecamp, Grace Miller,  
and Catherine Schaefer's Actions

105. In addition to the costs associated with defending the criminal and family court actions, I suffered significant damages as a result of Defendants conduct.

106. I have incurred other expenses to defend these actions, such as costs to replace iphones, computer equipment, and other electronics taken during the April 28, 2017 raid. I will be able to provide an exact total at trial in this matter. I paid to replace and install the front door that was destroyed upon entry, as well as, damage to the hardwood flooring, and carpet during the April 28, 2017 raid.

107. It should be noted that Lindsey Middlecamp petitioned to become a Special Assistant United States Attorney in late 2017 or early 2018. Upon information and belief, Lindsey Middlecamp became a Special Assistant United States Attorney to evade accountability for her felony actions contained in the Middlecamp Email performed while working as a then-Assistant Minneapolis City Attorney.

108. For the reasons stated above and in my accompanying memorandum of law, I respectfully request that a professional responsibility complaint be asserted against Lindsey Middlecamp, a referral to the United States Attorneys Office/Justice

Department/Federal Bureau of Investigation, Hennepin County and Ramsey County Attorney's Office for possible felony prosecution, and that my motion for limited discovery be granted in its entirety and that Defendants motion to compel be denied in its entirety.

Mary Ellen,

Do you know/have contact info for your counterpart at the City of St. Paul? This is something of a professional courtesy email that, if you felt it was appropriate, I was hoping could be forwarded to their attention.

I have a friend who, in November of last year, got a restraining order against a man in St. Paul who stalked her for nearly two years even after she moved out of state all because she declined to meet him after brief contact on a dating site. He has retaliated against the restraining order in several dramatic ways; after storming out of the hearing at which it was granted, he promptly registered and launched a website referring to her by full name as a stalker and sexual predator and linking to her contact

13.82

Yesterday, the Court of Appeals issued an opinion in a different matter brought by a different woman [REDACTED] against the same man. I'm attaching it here. I can tell you that I've spoken with several of his former colleagues or acquaintances and this seems like a very troubled individual with a documented history of serial harassment and escalation. He has been kicked out of a local gym for concerning threatening behavior towards a trainer, has been blacklisted from certain community groups for his alarming online conduct, etc. I have serious concerns that if he is not held accountable for violations of this restraining order, he will escalate either in his aggression against my acquaintance, or in parallel tracks against other women.

The "professional courtesy" angle here is that I'm also aware my friend is being contacted by journalists with MPR and City Pages about her experiences with this man and other women's restraining orders and issues with him. I believe it is likely the narrative will take a position that "St. Paul is doing nothing to protect them" in light of the cops basically telling her her main recourse was stop googling her own name and try to move on with her life despite his persistent attempts to sabotage and harass her. I thought it was worth at least forwarding the Court of Appeals decision to the potential prosecutors to see if the pattern/trend of this man's troubling behavior causes them to have more confidence in the need to pursue him in [REDACTED] 13.82 case. I know resources and other considerations dictate case load but sometimes having another lawyer confirm this isn't a total goose chase seems helpful in giving things another look.

Mr. Kurth,

We received a message today from the City Attorney's Office regarding a possible threat to a city staff member there. Photos of the suspect, Brock William Fredin 12/12/1983 are attached. I was wondering if you could run this person for any related criminal history, Restraining Orders on-file or any other workup documents you could find so that we may do a Security Advisory to be kept at the Security Desk in case he shows up here. I will leave it up to you as to whether or not you feel a DVS photo could be included.

Lisa, I'm not sure if you want us to correspond with the requestor directly, but you could have our MPD number for reference. Lisa, could you get a timeframe from the requestor for No. 10? Not sure how far back the precincts will have data to begin with.

Once we have that clarification, the RIU processor should reach out to the precincts and get whatever data makes sense to address No. 10. Then as far as No. 1, I'd start with a CAPRS name check?

Good morning Mary,

We received the following request – I have highlighted parts that seem to apply potentially to MPD.

I would appreciate it if I could get a status in the next day or so of what you think you might be able to find that would be great. Number 10 is a bit confusing, but I hope maybe it makes sense to you? (It took a while to sort through this one so I apologize for the short notice.)

I'll be back at my desk this afternoon (around 2:30?) if you have any questions.

Thanks so much!

Hi Roger,

I can certainly indicate that there is no responsive data regarding the use of hashtags and/or twitter postings.

However, since you indicated that we can monitor activity inside our network, do you think you might have anything responsive to:

8. All Information Technology (IT) data relating to **viewing, posting, and/or use of researching Brock Fredin**

9. All database and/or Information Technology (IT) **checks, edits, views, etc by City staff relating to or referencing Brock Fredin**

Is that kind of data search-able?

Thanks so much for your help, Roger - I appreciate your quick response,

Lisa,

I'm sorry to say that I can't help you with this and I don't think that anyone at the City can. While we monitor activity inside our network, we have no control or monitoring capability over what happens outside of it. There may be tools to track Twitter postings, but the City doesn't have such tools and I'm afraid I have no experience in that whatsoever.

I've completed reviewing a number of emails related to this requestor. I initially searched MPD/police locations, which yielded around 120 documents. I then expanded my search to include public email boxes and ended up with around 450 emails from the City Attorney's Office and emails between the victim, a city employee, and outside counsel. I'm not sure if others have reviewed these emails as part of City Clerk review or City Attorney's Office. I marked many documents for Attorney review, mainly because most of these documents involve Susan Segal and other attorneys in the CAO. The documents are in DISCO under the folder MPD 9648.

I've included Carol on this email as part of the attorney review.

Thank you,

Kyle

Good catch – if you're talking about part 10, he's asking for a gender breakdown, which isn't data that is collected, so we can cross that one off.

Good afternoon again,

I've completed the review of the Brock Fredin documents. I think this one initially came through the clerk's office. Everything has been reviewed by me and Carol B. I'll load this and the Horowitz request on to a flash drive. I'm assuming that you would want to handle contact with the requestor?

Good morning,

I'm reaching out to you today because our records show that you submitted a Data Practices request to the City of Minneapolis at the beginning of April in 2018. Unfortunately, our office has experienced a significant amount of turnover in the last year, and the person previously working on your request is no longer at our office. We noticed that we couldn't find a record of data ever being sent to you for your request.

If you are still interested in receiving data, could you please reply all to the to this email letting us know? If we do not receive a response from you by COB on October 28th, we will assume that you are no longer interested in receiving the data you requested.

If you have any questions or concerns, please let us know.

Thank you,

Date and Time of Report

Primary offense:

**FAMILY/CHILDREN-VIOLATION OF RESTRAINING ORDER**

I am issued a body camera, I have been trained in its use and I wear it as part of my uniform. I mount it in the middle of my chest mounted to my uniform jacket. While driving to the call, I turned the camera on. It remained on throughout this call. I have not reviewed the footage but may do so at a later date. After reviewing the footage, I may write a supplement report to clarify any facts, add more detail or other relevant information.

Upon arrival, we met with the complainant who we identified as GRACE ELIZABETH MILLER (DOB: 08/16/1984, 1656 DAYTON AVE LOWER LEVEL, ST. PAUL, 55104, CELL/P: 507-450-4243). MILLER said she had been involved in ongoing harassment from a male who she identified as BROCK WILLIAM FREDIN (DOB: 12/12/1983).

MILLER showed us printed copies of a harassment order from Ramsey County (Court File #62-HR-CV-18-202) signed by Judge Patrick Diamond. The Order, dated 04/09/2018, stated that the "Respondent shall not directly or indirectly create, post, place, or distribute online any content that has a substantial adverse effect on the safety, security, or privacy of Petitioner."

We confirmed with Data/Ch.5 that the Court File number and Restraining Order was still in effect as of that day, 05/14/2018.

MILLER showed us her laptop screen where she found that the Respondent FREDIN had posted on his Twitter account a Tweet that stated, "...claimed Grace Elizabeth Miller 'is a bitch'.." The Tweet was in the context of a greater set of Tweets naming numerous other people.

I took photos of the Twitter page showing the context of the Tweet and uploaded those to the Media Vault.

MILLER was visibly upset with the ongoing case against FREDIN.

END OF REPORT.

**PUBLIC NARRATIVE**

**NARRATIVE**

On May 21, 2018, I received a call from the victim, Miller, about another possible violation of her order. Miller stated she was searching the suspect's Tweeter account and found more posts that were posted under the suspect's account.

I told Miller that if she forwarded the information to my work email I would add the information to the case.

On May 5, 2018 at 1454 hours and 17 00 hours I received two emails from Miller.

The first email included a screen shot of the Tweeter account under "Brock Fredin@Brock\_Fredin" with the suspect's photo. There were three tweets. In the tweets it stated the suspect was going to live stream about his Second Amended Complaint and how he was going to stop an autistic U.S. Attorney, Rhode scholar instructor and a commander of a military base. The suspect may be the first person to get an IIED claim past a motion to dismiss for a social media campaign, he can't get a gag order lifted in a corrupt family court and how tabloid coverage destroy his professional livelihood.

The second email included a screen shot and an audio recording. Per the victim, she found the recording on the website, karmenmcquitty.net. I checked the website and found the recording. The website was labeled, "Attorney Karmen McQuitty-Fraudster, Perpetuator of Nonesense". Miller stated the recording was secretly recorded during a court hearing on January 8, 2018, when her attorney, Miss McQuitty, was explaining to the court about a HRO violation the suspect had been arrested for by a Ramsey County Deputy in the court house against another victim. The victim said she was not present for her hearing on January 8, 2018.

I took a screen shot of the first page showing the website karmenmcquitty.net and the page where the recording was located. I transferred the screen shots into the Media Vault.

I transferred the two emails that included the screen shots of the tweets, the audio recording and the screen shot taken by the victim showing the location of the recording within the karmenmcquitty.net website.

Upon arrival, I spoke with the complainant who later identified herself as GRACE ELIZABETH MILLER (DOB: 08/16/84, 1656 DAYTON AVE, C#: 507-450-4243). MILLER said that her ex-boyfriend, BROCK WILLIAM FREDIN (DOB: 12/12/83, NPA), just got out of jail on June 12th, 2019. MILLER said that today 06/20/19 she found two new meme's about her on the internet. MILLER said she is positive that FREDIN has created the new meme's about her because she has not found anything recently until his release. MILLER said FREDIN was in violation of the new and old OFP (62-HR-CV-16-46 / 62-HR-CV-18-202) that was put against him. MILLER said that in the past, FREDIN had also created websites and meme's about her that violated the OFP.

MILLER was read the Domestic blueprint assessment questions. MILLER said she does not know if FREDIN will seriously injure or kill her. MILLER said that FREDIN threatens her everyday because she does not know if he will put her name on the internet again. MILLER said that it has not changed because it has been the same for three years. MILLER said that she is always afraid of FREDIN because of what he has done to her. MILLER said she always has to look out in case FREDIN is nearby. MILLER said if we cannot contact her, we can contact her dad, WILLIAM MILLER (C#: 612-708-9630). MILLER said that FREDIN has live in numerous areas in Saint Paul, MN and Hudson, WI in the past 10 years.

MILLER was given a business card and case number.

I uploaded the MEME's into the media vault and turned in MILLER's victim impact statement at the SPPD Western District drop box.

No further information at this time.

Hi [REDACTED],

Sorry to hear you are still having issues with this guy. I will forward this to 311 but just to let you know, at 311 we took the police reports but then they are sent to the Minneapolis Police and they would be the ones that would contact you. I am not sure who the investigator would even be in the Police Department.

Thanks,

Not sure what, if anything, can be done to help her from here??

Thank you and have a great weekend.
